I can't believe half the year is over. What a great 6 months it has been and very much looking forward to the next 6. June was incredibly busy and fun with us finally getting back to regattas after having all of 2020 without them. What a great feeling it was. It has also been awesome seeing so many RVYC folks supporting our Club at the various regattas and functions by wearing their travel shirts. EVERY other Club is talking about them and the "RVYC Green Wave". Heck, we almost even pulled off the \$1.98 Beauty Contest for the first time ever! I can't thank you guys enough for all the support that night. July brings OUR regatta. Please remember that this is not necessarily a party for us, but instead, WE are putting the party on for other clubs. It has always been said that if every member put in just 2 hours for regatta, we would have no problem covering everything that needed to be done. If the weather is decent, our grounds should be packed. Sunday morning clean-up is always a area where we need a LOT of help. Due to this busy schedule, I have not been able to get out fishing as much as I would like. The few time I have however, the walleye has been decent. We have caught countless walleye that have been just short of being "keepers". Although that does not help us for an immediate lunch at the RVYC grill, it does say great things about Lake Erie and the years to come. Looking forward to the Perch season starting next month. I would again like to thank my Board for doing such a incredible job this year. I've said it before and I will say it again..... I am the luckiest Commodore in the history of RVYC to have such a great team. The next few months should be epic. I'm going on a bit of a hiatus up North to recharge my battery and clear my head so I'll see ya'll when I get back.

Commodore,
Tony Z.

Hello River View, hope this finds you all doing well. First off I would like to thank everyone that came out for the corn hole tournament, and everyone that let us use your boards and bags. We have a few events coming up in July, one being Regatta. Sign up sheets are up and by the pool table, it's a great way to get your hours for the year. The dates of our Regatta will be July 16th and 17th. On July 4th we will have The Sweet Tea band stripped down doing some acoustic sets for us. On July 11th we will have Tony Salazar out on the party dock. Both shows start at 1pm and will end at 4pm. Hope to see everyone for all of the great events coming up in July.

Well summer has finally arrived and boats are in the docks. The only item I have is homecoming. I am looking for servers on Saturday to serve "Chicken Ron" fabulous chicken dinner. The shifts are 5 to 8 & 8 till 11.

Hope to see you there!

Happy July Riverview! This month will be REALLY busy around the club in preparation of regatta. If you haven't signed up to help, please consider doing so. Helping just a couple of hours makes a huge difference and is a great opportunity to meet other members! Some might not be aware but you can also get work hours for any food donations. If interested please feel free to contact one of the board members. We will be hosting our Pre-homecoming dinner on Thursday July 15th. Come out and grab dinner and live entertainment to kick off Regatta weekend right! I want to say THANK YOU to the Auxiliary board members in making Family Fun another success! I hope everyone that attended had a great time, and hope to see everyone at our Fall Event.

Have an Awesome Month!!

Hi RVYC!!! Thank you to the folks that came out for the Cedar Point boat in. We had a great time. Our regatta is the second AYC poker run. To get credit for your boat and peeps we need to show up at Nugent's Canal. Their regatta is July 23 and 24. I will have pirate swag to give away and a photo prop to take pictures and capture the memories!!! Let's show the other AYC clubs who is the best club!!!

Hello River View, not much to report here. Sales are going well and regatta planning has progressed. I want to give a shout out to Entertainment Officer Bill Harter, he's been a big part of the turn out we've had with the events he's planned. Hope to see everyone out supporting the club the weekend of the 16th-17th.

See you soon,

~ Matt
